Zoning request/question:

Include any supporting documentation to assist Zoning official with response.

Pre-application zoning requests are handled on a first-come-first serve basis as a courtesy, a formal application would be required for a formal determination. The determination provided in response to this request is informal and may change upon formal submission of associated application(s). The Pre-application process is not required to submit your application but may assist in the acceptance of your application for a formal review.

Fee questions can be addressed to the front office personnel or please reference the fee schedule available online (www.plainfieldtownship.org)
